OUR MODEL PRAYER PT 2

MATTHEW 6:5-15

INTRODUCTION: The word heaven is used for the sky that appears above as well as the place where God lives. In the O.T. it is the same Hebrew Word *shamayim*. In the N.T. again the same word *ouranos* is used and it is also translated *air* – the birds of the air. In this study of our *model prayer*, we are looking at the *dwelling place* of God, our Father.

In our Father's great plan, He is in heaven, and His children are in the earth. We are to express God's nature and will on the earth. We are to be, "fruitful and multiply, and fill the earth, and subdue it." That was the original plan for man, and I believe it is still Father's plan for us.
