OUR MODEL PRAYER PT 5

MATTHEW 6:5-15; 31-34

INTRODUCTION: We are children of a loving Father, and He desires to provide everything we need. We should look to our heavenly Father the same way children look to their natural father to supply all their wants and needs. It is the will of our Father that we should lead healthy, happy prosperous lives. Our Father knows that we need food, clothing, shelter, which are included in “our daily bread.” We must recognize God as our source. It is not our jobs, inheritances, etc.; they are only channels, God is our source for all that we need.
