**DO NOT FORGET ANY OF YOUR BENEFITS**

**PSALMS 103**

***INTRODUCTION:*** There are benefits that come to us because of family, job, and so forth. When it comes to these benefits, people are willing to do whatever is required to keep them. God has provided great benefits for us, and we must never forget any one of them. God has already provided them for us, all we have to do is to remember them and receive what He has provided. We don't have to convince Father that we need them, He has already provided them.
