### KINGDOM BENEFITS PT 3

#### COLOSSIANS 1:13-23; 28

**INTRODUCTION:** All things in heaven and in earth were created by Jesus and for Jesus. He is the Lord or owner of all things. A requirement of a kingdom is that the king has dominion or authority. Another requirement is that he must have and own territory. Since everything was made by and for Jesus, then everything belongs to Jesus. If everything belongs to Jesus, then He can give it to whomever He wants. This is a very important part of being a *son or daughter* of God. Now we can understand II Peter 1:1-4.

We are now in the Kingdom of God's beloved Son. In this Kingdom, we have rights and privileges. One right and privilege is that we have been delivered from the kingdom of darkness. We are no longer opened to the rulers of the kingdom of darkness. We are not citizens of the kingdom of darkness, therefore, none of their laws or restrictions apply to us. We are now under the protection of the King of the Kingdom of God's beloved Son, and we have His provision.
