INTRODUCTION: I have been qualified by my Father "to share in the inheritance of the saints in light." I have been "delivered from the authority of darkness and transferred into the Kingdom of God's beloved Son." Because I have been, I am delivered from anything in the kingdom of darkness, and I am qualified for everything in the Kingdom of God's beloved Son.

Mankind was made to live in the Kingdom of God. We were made to live supernaturally. "In the beginning, man's spirit was the dominant force in the world; when he sinned, his mind became dominant; sin dethroned the spirit and crowned the intellect; but grace has restored the spirit to its place of dominion, and when man comes to recognize the dominance of the spirit, he will live in the realm of the supernatural without effort. The spiritual realm is man's normal home. Sin made us workers, grace makes us trusters." *The Wonderful Name of Jesus* by E. W. Kenyon page 25.
